Dear Parents and Carers,

Term 2 Disco
The term 2 disco for students from years 4, 5 & 6 will be held in our school hall this Friday night. The disco will run from 7.00 – 9.00pm. Tickets are available from the school office and also for purchase at the door on Friday night. Parents are asked to collect students from the hall at the conclusion of the disco at 9.00pm. Thank you to staff and parents who have volunteered to assist in the organisation of the evening.

Tennis Court Upgrade
Our school tennis courts are currently undergoing a complete upgrade. The resurfacing is well under way. A new fence is being erected around the courts and line marking will commence shortly. Old wooden seating has been replaced by a more attractive alternative. After the conclusion of the upgrade lights will once again be fully functional.

Painting of H Block and toilet facilities refurbishment
The outside of H Block is currently in the process of being repainted. New sinks and benches have been installed in the senior girls and boys toilets. A new floor covering has also been laid in both junior and senior toilets. Painting of both toilet blocks will then be undertaken. This will provide our students with much more attractive and user friendly facilities.

Creative Dance Lessons
A program of dance lessons will commence in week one of next term. Students from prep to year six will receive a weekly dance lesson in a variety of dance forms from qualified instructors. The eight week course of dance will culminate in a whole school disco, which will be held on September 4 in our school hall. The P & C will be involved in providing a sausage sizzle, cupcakes, drinks and other refreshments at this function. All families will be invited to attend. You will be receiving detailed information in the coming weeks.

RUN FOR KIRRANI

Our beautiful daughter Kirrani Samantha was born 6 weeks premature on the 10th September 2014 at the Mater Mothers’ Hospital. Tragically, she was born with a very rare condition and spent 69 days in the Neonatal Critical Care Unit before growing her angel wings on 17th November 2014.

We witnessed the amazing work Dr Luke Jardine and the team at the Mater NICU do to care for premature and sick babies and we were fortunate enough to meet some amazing people along the way. The love and the support we received from the staff was incredible and we could not have done it without them, nor will we ever forget them. On July 5, I will running the Gold Coast Marathon and we are hoping to raise some money and awareness for the Mater Little Miracles so they can continue the great work they do for premature and sick babies.

If you would like to get behind a great cause and support the Mater Little Miracles, please follow the link below or friend one of us on Facebook. Any donation, no matter how small, is greatly appreciated!
