Dear Parents and Carers,

NAPLAN
Last week's newsletter outlined the NAPLAN program scheduled for next week. We wish to reiterate last week’s message to students that the purpose of NAPLAN is to find out how well they are going at school so that we can help them be even better students. It would be great too if students get to do the test feeling as well as they can feel; that is, after a good night’s sleep and having had a hearty breakfast.

UNIFORMS
Our school uniform policy is that students are expected to wear the Holland Park school uniforms every day of the school week; our Student Council has nominated days when the children have the opportunity to wear ‘free dress’. Lost uniforms, and there are many, are placed in the area below the Administration/Office Building.

ROAD SAFETY
Please remember that Wilbur Street has a clearly designated bus zone in which cars should not park. Designated pick up zones are in Wilbur and Abbotsleigh Streets and should be used.

GEOGRAPHY
Last Tuesday we had a film crew recording geography lessons related to the Australian Curriculum for the Queensland Studies Authority. Ms Ybariucea (PDY) is currently working for QSA and assisting in the development of this geography program. Specifically her lessons were targeting the Prep area. Her knowledge and involvement in developing the geography curriculum will be of much benefit to our staff on her return next term. Having had the opportunity to spend time in Prep during filming I must say that I was impressed with the way our children cooperated and participated in the day’s video recording. Their understanding of and thoughts about geographical features were enlightening. Our first semester reports this year will include, for the first time, the strand of geography from Prep to year 7.

From The Community Liaison Officer

Thank you to all the Mums who have taken on the role of Class Parent Representative and doing a great job for their classes. We still have 3 classes who do not have Class Parent Representatives at this point in time, they are 6AW, 6NA and 7MS, it would be great if we could fill these volunteer roles. The Class Parent Representatives play such an important role with the distribution of documents, flyers, etc.

If you think you would like to take on the role, but need a little more information before putting your hand up, please get in touch with me.

Cheers
Karen

Would you like your family to live a healthier lifestyle?

Researchers at the University of Queensland are currently offering a FREE Triple P parenting program to parents of children 3 to 10 years in exchange for participation in research.

Across three seminars you will learn strategies for…

✓ Managing both general and lifestyle-specific child problem behaviours
✓ Helping your child eat a healthy balance of nutritious foods
✓ Motivating your child to be more active
✓ Limiting screen time

The program is run at St Lucia and Ipswich, with free child care available for families. To register visit our website: www.exp.psy.uq.edu.au/life
