Deputy Principal’s Report

Dear Parents and Carers,

FETE
What a great day we all had on Saturday! The weather was kind to us, the atmosphere was great, the performances were enjoyed by all, the stalls were brimming over with many fantastic items, the rides and children’s fun activities drew many to that corner of the oval throughout the day and the food aromas wafted through the air drawing us in to try that curry, those sausages, hamburgers and hot chips.

Our many thanks and huge appreciation go to everyone involved in the preparation before the day, the setting up and dismantling, your attendance at meetings, the maintenance of the Fete website, the rehearsals, the cooking, serving on the day at the many stalls and the donations and more.

The fete committee comprised more than 70 enthusiastic and dedicated folk who pulled it together in a memorable way. Congratulations to our total school community; working shoulder to shoulder was something special.

As with these events there are many to thank; however, I particularly would like to thank our fete coordinator, Louise Hope, who managed to garner enormous support, who found the time to coordinate and manage all involved and who set the tone for creating a ‘Holland Park Special’, a special day for all of us.

To Louise, our congratulations and appreciation for all you have done. It was a job Well Done!!!!!
**STUDENTS AT SCHOOL**
Just a reminder to parents to collect their children from school by 3.30pm. Unfortunately, we have had a number of instances where students were not collected till very late. Students remaining at school after this time (3.30pm) will need to go to after school care. It is recommended that all parents register their children at OSHC in the event they need to access the service.

**STUDENTS ON THE WAY HOME**
Unfortunately, some Holland Park students walking home in the afternoon have been observed entering neighbouring properties and climbing fences. Contact the school if you observe this behaviour; and especially if these students can be identified. Please reinforce this message to your children if they walk home; private property means private property.

**REPORTS**
Please note that significant technical work is being undertaken on the school’s computer network. We are still planning to send our school first semester reports out next week; this technical work, however, may result in the reports being distributed after Wednesday.

*Regards*
Edward Danielewski
Deputy Principal

**FETE GYMNASTICS DISPLAY**
What a great gymnastics display! Thank you to all of the students that were involved in the gymnastics and dance display at the fete. I was really proud of the effort and excitement that created a really awesome display. Special thanks should go to Stella M, Shelby D and Katherine P for their efforts with dance choreography. The ‘Happy’ song did exactly what it was supposed to do! Get active, dance, get people to join in and have fun. Excellent!

Also, a big thank you to parents that assisted with set up and pack-up of equipment.

**HOLLAND PARK RUGBY LEAGUE 10 YEAR OLDS**
Congratulations to the 10 year old Holland Park Rugby League side who recently won the District Grand Final. They played against the undefeated Citipoint Christian College. It was an excellent display of teamwork and courage to win 5 tries to 2. The following team members participated in the final: Sam C, Jonathan L, Henry Pl, Steven K, Curtis S, Matthew S, Jared C, Cooper S, Fraser A, Riley L, Tom B, Oliver Z and Joseph C. Jack M, Angus R and Oscar N also played for this team but because of age limits were ineligible to play in the final. All boys put in a great effort throughout the season!
