Dear Parents and Carers,

CONGRATULATIONS
Our congratulations go to Matt Walker, our physical education teacher, on his selection to the position of team coach (Tumbling) with the Queensland Trampoline Gymnastics State Team currently competing in the 2014 Australian Gymnastics Championships in Melbourne this week. Matt’s skills have been put to good use this year with the students benefitting from his expertise in this sporting discipline. A very enthusiastic group are currently spending their lunch breaks with Mr Walker preparing a display for the forthcoming fete.

VISITORS/VOLUNTEER REGISTER
Please ensure that you sign in/out at the office if you are assisting in some capacity as a volunteer in the classroom, the school, in preparing for the fete or helping in the tuckshop. You will appreciate that we use those signing registers, during our evacuation procedures, when accounting for all persons on site. It became apparent that the matter of signing in/out has been overlooked during Wednesday’s evacuation drill. Please ensure that you are signing in and out if you are volunteering in any capacity.

INTERSCHOOL SPORT
This Friday is the last day of interschool sport for semester 1 and we ask that you address this week’s payment as well as any other outstanding sporting payments. Following on from this program are our activities in track and field.

REPORT CARDS
There will be a change to the key learning areas being reported on by teachers for semester 1. Student reports will now include the Key Learning Area of Geography. You will also note the absence of SOSE. Last year we introduced the reporting of history and in line with the current changes to the Australian Curriculum both geography and history will supplant SOSE, which, in essence, covered components of both these subject areas.

Regards
Edward Danielewski
Deputy Principal

It is really pleasing to see that our students are being encouraged to get outside, get physical and have fun! Thank you to the parents and carers for your encouragement and also the selection of photos from the events. We are still in the draw for the $5000 prize to be drawn in June.

It is fantastic to see the preps getting so excited and wanting to be involved. Great work from our upper primary students, their leadership qualities are shining through.

Australia’s Biggest Morning Tea

On Wednesday 21 May all students supported Australia’s Biggest Morning Tea by bringing along a gold coin donation. Prep classes hosted a morning tea for their families, who also contributed to the wonderful cause. Miss Takacs (Cancer Council ambassador) is happy to announce that as a whole school we raised a combined total of $1339.90. This is a fantastic effort. The money raised will go to cancer research and support those affected by cancer.
