Dear Parents & Carers,

Our school is scheduled for a school review from 14 to 16 June.

The Department of Education and Training introduced new performance reviews for Queensland state schools in 2015. The reviews are conducted by the department’s School Improvement Unit.

The reviews do not rate or compare schools but provide independent and quality feedback to help schools continue to improve outcomes for students.

All schools have a review at least every four years. Our last review was in 2012. Key findings from the review are made available to parents and the community on the school’s website.

As part of the review, the review team would like to hear from our school community and I encourage anyone who is interested to have a say. Your feedback is important and will help us continue to deliver a quality education for our students.

Feedback can be provided to the review team by phone or in person. All feedback remains confidential.

If you are interested in speaking to the reviewers, or would like more information about the review process, please contact the school office or email the review team at SIUMB@dete.qld.gov.au

Further information about the reviews is available to you from the department’s website at: https://schoolreviews.eq.edu.au

Anthony Gribbin,
Principal.
From the Deputy Principal

Dear Parents

Students of the week from this week’s assembly.

SENIOR ASSEMBLY AWARDS
01 JUNE 2016

**YEAR 3**

3AM Vivienne - For presenting a great talk about singing.
Lilijan - For reading well in Literacy Groups.

3MB Kaeli - For a great speech on ‘Acts of Kindness’
Micah - For working really hard to complete his tasks on time.

3KD Juliette - For excellent use of drama techniques while creating an emotive performance
Charlotte - For being an eager participant in class discussions

3KJ Ava - For completing writing tasks with a high level of detail.
Shamit - For completing tasks in literacy groups efficiently.

**YEAR 4**

4CC Ben - For being a positive participant in all class discussions.
Jayden - For great results in Maths

4CS Lucinda - For always showing respect and consideration for others.

4ED Hannah - For excellence in mathematics
Gray - For an authentic and humorous dramatic performance.

4MG Pryia - For an outstanding display of courage.
Noah - For an exceptional display of responsibility.

**YEAR 5**

5FF Anna - For a fantastic effort making a Lunar Lander in science
Charlotte - For a fantastic effort making a Lunar Lander in science
Tia - For completing her work to the best of her ability and with care
Xavier - For working quietly in reading groups
Sophie - For thinking and working well in science groups

5MT Mitch - For working hard to write thoughtful responses in his Geography assessment.

5/6AW Alexandra (Yr 5) - For a great recital of the poem Procrastination, with expression and a great mix of humour.

**YEAR 6**

5/6AW Emma (Yr 6) - For a humorous and expressive poetry reading of the great classic "My Pig won’t let me watch TV."

6KD Lucy - For steady improvement and an excellent attitude to her learning.
Charlize - For perseverance and improvement in mathematics.

6NT Nikolina – For consistently working hard in all learning areas
Joshua – For being efficient with time management in completing all assessment tasks
Blake - For maintaining focus in completing all assessment tasks

Deputy Principal
Edward Danielewski

From the Deputy Principal Cont’d

Dear Parents,

Last week I outlined the HPSS problem solving program. This week I have listed below the remaining skills that form the focus for our students across the school.

**Problem Solving Strategies (7 of the 8)**

<table>
<thead>
<tr>
<th>Strategy: Break it up</th>
</tr>
</thead>
<tbody>
<tr>
<td>Multi-step problems need to be broken into parts.</td>
</tr>
<tr>
<td>By breaking it into parts, the problem will be more manageable.</td>
</tr>
<tr>
<td>Reaching a solution for some problems requires a series of steps, each one depending on the information gathered from the previous step.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Strategy: Draw a picture or diagram</th>
</tr>
</thead>
<tbody>
<tr>
<td>Drawing a picture or diagram helps you to visualise the problem.</td>
</tr>
<tr>
<td>There are two categories of visual representation: (a) pictorial representations (drawings of objects) and, (b) schematic representations (diagrams representing the spatial relationships among problem parts).</td>
</tr>
<tr>
<td>Evidence suggests that successful problem solvers produce more schematic representations</td>
</tr>
<tr>
<td>Reflect on how drawing a picture or a diagram helped you to find the answer to the problem. You can then use the same process in future to solve similar problems.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Strategy: Guess and check</th>
</tr>
</thead>
<tbody>
<tr>
<td>This is one of the most frequently discounted strategies.</td>
</tr>
<tr>
<td>Guessing the solution of a problem is sometimes associated with wild guessing.</td>
</tr>
<tr>
<td>An important part of this strategy is making an educated guess based on careful attention to important aspects of the problem.</td>
</tr>
<tr>
<td>The key element in this strategy is the checking process in which the student makes an educated guess &amp; then checks it against the problem conditions to improve his or her next guess.</td>
</tr>
<tr>
<td>The student repeats this process until he or she has an acceptable answer.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Strategy: Look for a Pattern</th>
</tr>
</thead>
<tbody>
<tr>
<td>Our number system is based on patterns.</td>
</tr>
<tr>
<td>This strategy is often used with other strategies, including Make a Table or List or Simplify.</td>
</tr>
<tr>
<td>Look for a pattern will help you to find a logical solution to a problem.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Strategy: Make a table</th>
</tr>
</thead>
<tbody>
<tr>
<td>This strategy is often used with other strategies, including Make a Table or List or Simplify.</td>
</tr>
<tr>
<td>Look for a pattern will help you to find a logical solution to a problem.</td>
</tr>
</tbody>
</table>
Making a table helps you to organize information in a problem.
Making a table also helps you to search for and create patterns and solve the problem.

Think about how you will set up the table to organize the information you’ve been given.

Use the table to find the solution.

Reflect on how the table helped you to find the answer to the problem. You can then use the same process in future to solve similar problems.

Strategy: Simplify
If a problem is complex, making it simpler will help you get started.

We can change a problem so that it becomes understandable.

It helps to find any patterns to help solve the problem.

We can use other strategies to help us as we simplify the problem.

Strategy: Work backwards
This strategy is best to use for problems where the final outcome is presented and the question asks about the original situation.

You need to reverse what has been done to find the answer.

You usually begin with the answer and work backwards to solve the problem.

From the Deputy Principal Cont’d

FANFARE 2016

This week our senior band performed for the first time this year at Fanfare!

The group of around 50 students performed confidently and with their best foot forward at Sherwood State School.

The band was one of several primary and secondary schools learning the importance of performing to an audience and the experience of adjudicator feedback.

We earned a ‘bronze’ award that was excitedly received by our students. Thanks sincerely to Tony Bryers, our instrumental teacher, and Jo Martin, a parent helper.

Well done band and Mr Bryers!

Some Fanfare adjudicator’s feedback below:
“Strong rhythm evident”
“Solid opening”
“Good energy throughout”

PREP
PJC Jordan - Terrific work in literacy groups. Working hard with his reading.
PAF Samuel - For thinking very scientifically and having a lovely attitude to his work.
Jessie - For working really hard on her reading and always trying her best.
PGY Ellie – For finding her voice in PGY.
Tyson – For his philosophy question “Why did the Very Hungry Caterpillar turn into a beautiful butterfly?”

PTS Grace - For improving in her confidence with letters and sounds.
Walter - For doing excellent work with blending.

PDY Arístos - For reading aloud confidently and fluently during literacy groups
Mahala - For always trying her best during writing activities

YEAR 1
1SR Nicole - For being a cooperative and hard-working student.
1SE Hugo – For always trying his best.
Piper - For consistently making good learning choices.
1SB Oliver - for improving his inferential comprehension skills
Maria - For successfully identifying the features of 2D and 3D shapes

1MG Charlie - For writing a detailed and interesting description of The Rainbow Fish
Evie - For writing an interesting and entertaining description of The Rainbow Fish.

YEAR 2
2KO Torin – For showing great improvement displaying school rules
Stella - For showing great effort in her English writing and reading.
2MW Sui - For always trying her best in class
Livia - For being an active class participant
2 JC Dallas - For having a positive attitude towards his school work, classmates and teachers.
Nate - For using very neat and legible handwriting when writing his much improved narratives.

Acting Deputy Principal
Leigh Harrod

FROM THE OFFICE

Please remember our office hours are 8am to 4pm.

Finance

Just a reminder:

Credit Cards: Minimum payment is $10.
Credit on your account: Please remember to deduct your credit from your next invoice payment, in particular when you by EFT.
SCHOOL BANKING NEWS

School Banking Account Opening Day

Holland Park State School is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

School Banking News Cont’d

2016 Excellence Expo Science Workshop

2016 is International Year of Global Understanding

Excellence Expo Science task for all nominating students from Prep to Year 6 will offer a choice for all students this choice will either be a science investigation on the International Year of Global Understanding Theme or a student’s very own science investigation topic.

A parent information workshop will be held on Wednesday 8 June in the school library commencing at 9.15am and concluding at 10.15am. This workshop will be facilitated by our master teacher Mrs Julia Whittaker and should be of great interest to all parents who will be engaging with their children in planning a science Investigation for Excellence Expo 2016.

The Gifted and Talented Education Committee encourages all interested parents to attend this workshop as this will be a most interesting and informative workshop that recognises our important partnership with our parents and students.

Excellence Expo S.T.E.M Science Technology Engineering Mathematics Workshops

For all S.T.E.M. year levels tasks done at home student workshops will be held for nominating students early in term three. These workshops will be facilitated by year level teachers. Dates of these workshops will be forwarded to all students.

SCHOOL RULES

STAYING SAFE AROUND STICKS AND STONES

- Leave sticks and stones on the grund
- Keep sticks, stones and dangerous toys out of sandpit

5C TIP OF THE WEEK

COMMITMENT

Be reliable by:

- Doing what you said you would do
- Doing what you were asked to do

SCHOOL BANKING NEWS Cont’d
The rewards available during 2016 are:

- Flying Snake Tail
- Wildlife Writer Set
- Mud Splat Handball
- Outback Pat Bag Tag
- Backtrack Eraser Pen
- Jump and Skip Rope
- Bush Fly Fan
- Wriggly Glow Worm

### TUCKSHOP

TUCKSHOP NO LONGER ACCEPTS BAGS OVER THE COUNTER. ALL ORDERS MUST BE MADE ONLINE.

If you haven’t signed up online yet, now is the time to do so. Go to [www.school24.com.au](http://www.school24.com.au) and register. HPSS registration ID: 25245963.

### FROM THE LIBRARY

**Premier’s Reading Challenge 2016**

Dear Parents and Guardians,

I am delighted to invite all Holland Park State School students to join in the 2016 Premier’s Reading Challenge.

As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature.

Last year, more than 138,000 students and 830 schools registered for the program. More than 89,000 students successfully completed the challenge reading 1.95 million books.

The reading period for the 2016 Premier’s Reading Challenge commences on Monday 16 May and closes Friday 26 August.

**FROM THE LIBRARY Cont’d**

This year the Premier has challenged all state and non-state
school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 to 9 to read 15 books. Experiencing books can include shared reading, listening to stories, or reading picture books. The aim for the 2016 challenge is to reach a total of two million books read.

Students wishing to take part in this year’s challenge can register by talking to their class teacher or to our teacher-librarian, Margaret Kittson, our school’s Premier’s Reading Challenge coordinator.

Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier and all students receive a Certificate of Participation. It will be my great pleasure to present these certificates during the Premier’s Reading Challenge celebration weeks to be held 7 – 18 November 2016.

### ACTIVE SCHOOL TRAVEL

Congratulations to all students, parents and teachers who have supported this great initiative to date. The benefits are certainly worth it!

When students have reached 8 stamps in their AST Passport, they can collect an AST bag-tag showing one of the Active School Travel Crew. The rewards so far have proven to be popular and a bonus for children who are already enjoying the active travel to school. Keep an eye out for future BONUS STAMPING days that will be added to the normal Wednesday AST days as an added opportunity for those who aren’t able to participate on Wednesdays or those just wanting to get more stamps!

![Active School Travel Crew](image)

It’s hard to miss all the extra walking, scooting and riding to school lately, especially on Active School Travel

**Wednesdays!** Holland Park State School is holding its own when compared to other Queensland Schools.

### SCIENCE NEWS

In Science Club this week we did an experiment questioning, if fuels were burned for a long time, would they use up more oxygen?

Firstly, we lit a candle and then put a jar over the candle. We did this experiment four times using four jars of different capacities. We used a stop watch to time how long it took for the flame to die. We discovered that the flame died faster in the jar with the capacity of 200ml compared to the jar with the 1L capacity.

I learnt that the larger the capacity of the jar, the more oxygen it had in it. The more oxygen there was meant the longer the flame ignited. Therefore the answer to the question would be the longer the fuels burned, the more oxygen they would use.

- Liam

**THIS WEEK IN SCIENCE CLUB** – This week in Science club we were investigating oxygen and carbon dioxide. We had 3 different sizes of jars (small, medium and large) and a candle. The experiment was to place a jar over a lit candle, and to time how long it took for each candle to burn out. When we were finished, we filled each jar with water to accurately measure its size. We noted the results during the experiment and drew up a line graph to represent the results.

Overall science club is the BEST!!

- Luke

### Parent Rewards

We recognise the efforts of parents in support of this program by adapting their morning routine, helping with the theme/dress-up days, and reminding their children to take their Passports. Next week, parents are being rewarded for their support! On Wednesday 8 June Jetts Greenslopes are providing parents with a fun way to warm-up on a cold morning! Turn up in your active-wear and be at the school oval at 9am for a FREE 45 minute “Winter Warm Up.” Drop off the kids and join us for a sneaky work out in the sun, hosted by qualified trainer, Shannon from Jetts. Fitness level should not be a concern and there’s plenty of play-space for younger children while parents enjoy a low-impact workout. Keep an eye on facebook for details early next week.

**Stay tuned for more Active School Travel adventures at Holland Park State School!**

### FETE NEWS FROM THE P&C

THE FETE COUNTDOWN IS ON!

Supporting the digital future of our students

<table>
<thead>
<tr>
<th>Junior Class</th>
<th>%</th>
</tr>
</thead>
<tbody>
<tr>
<td>2JC</td>
<td>95%</td>
</tr>
<tr>
<td>4JC</td>
<td>96%</td>
</tr>
</tbody>
</table>

A big congratulations to last week’s Top 10 AST achiever
This year’s fete and raffle is all about getting our students better connected with technology and online resources to enhance their learning outcomes.

We want to maximise the new high speed Wi-Fi network being implemented by Qld Govt by raising money for up-to-date technology resources across the school.

**Get in quick for your choice of volunteer roles!**

Volunteer Spot is open! The fete can only happen without the support of many volunteers. It is easy to get involved, and kids love to see their parents and friends supporting the school.

We really need volunteers with access to a ute/truck/trailer to do pickups on the morning of Friday 17 June.

To volunteer: Log on to VolunteerSpot at [http://vols.pt/yKpk1Z](http://vols.pt/yKpk1Z) and choose from the range of options where you can lend a hand. Please remember to hit **SAVE** at the end of your registration to confirm your spot. Any questions, please contact Danielle Hemer or Carrie Simpson by emailing [hpssvolunteers@gmail.com](mailto:hpssvolunteers@gmail.com)

**MEGA Raffle ...Tickets available ONLINE now!**

$6800 in prizes to be won!

Tickets are $5 or Bundle 10 for $40 + BONUS entry into a draw to win 1 of 10 meals on us.

- **1st prize:** $3,500 in Flight Centre travel vouchers plus $500 spending money.
- **2nd prize:** Three nights in a 3-bedroom villa in Allure Stradbroke Resort valued at $942.
- **3rd prize:** Six months membership at Jetts Gym valued at $510 plus $250 to spend at Athletes Foot.
- **4th prize:** Photography package from Kiss Photography PLUS a facial, shampoo and blowdry at Aesthetica. Total value at $614.
- **5th prize:** Posies delivered every month for a year + Louis Roderer French Champagne donated by Stones Corner Flower Shop & Andrew Turner Travel Counsellor. Total value $500.

**Raffle closes** when drawn on fete day 18 June unless sold out prior.

**Winners** will be notified by email. Raffle proceeds go to Holland Park State School Parents and Citizens Association. **Supporting the digital future of HPSS students.**

**HOW TO ENTER**

1. Login to your parent account at [www.school24.net.au](http://www.school24.net.au)
2. Select “HPSS Fete 2016” from the ORDER menu at the top
3. Buy your tickets if you don’t have an account, go to [www.school24.net.au/event_guest](http://www.school24.net.au/event_guest) and enter our event code **16635503**

For all the information about the Fete: [www.hollandparkstateschoolfete.com.au](http://www.hollandparkstateschoolfete.com.au)

**SHARE THE RAFFLE DETAILS WITH FRIENDS AND FAMILY WHO WANT TO SUPPORT HPSS AND BE IN WITH A CHANCE TO WIN A GREAT PRIZE**

**ALL DAY Amusement Passes**

Ride passes are now available for purchase online at [www.school24.net.au](http://www.school24.net.au)

- All day amusement wristband $20 per child ($25 at fete or $5 per ride)
- Animal adventures card $20 for 5 individual entries ($6 each entry at fete)

Collect your Rides Wristbands and/or Animal Adventure Cards from school the week of the fete (collection times will be published on Facebook and in the newsletter), or at the ticket booth at the fete.

For everything **Fete** go to [www.hollandparkstateschoolfete.com.au](http://www.hollandparkstateschoolfete.com.au)

Fete Donations
Thank you to families who have already donated items for the fete. If you still want to donate, here are some of the things we still need:
- Beer and bottles of wine or bubbles for the Wine Tombola
- Family size blocks of chocolate for the Land-a-Choc stall
- inexpensive (new) items and small toys that can be used as prizes
- Good quality vintage clothing and books, and pre-loved toys (no more soft toys please)
- Home-made creations such as arts & crafts, jams, chutneys, preserves

For more donation ideas, visit:
www.hollandparkstateschoolfete.com.au

Deliver your donations, including arts, crafts, jams and preserves to the old tuckshop under G Block:
- Saturday 4 June 2.00-3.00pm
- Thursday 9 June 2.45-3.45pm
- Sunday 12 June 2.00-3.00pm

Please bring your goodies to the old tuckshop under G block (see Facebook page for location map). For further details, please visit:
www.hollandparkstateschoolfete.com.au or
email: hpssfete@gmail.com
